Ms. Tamica's Talks

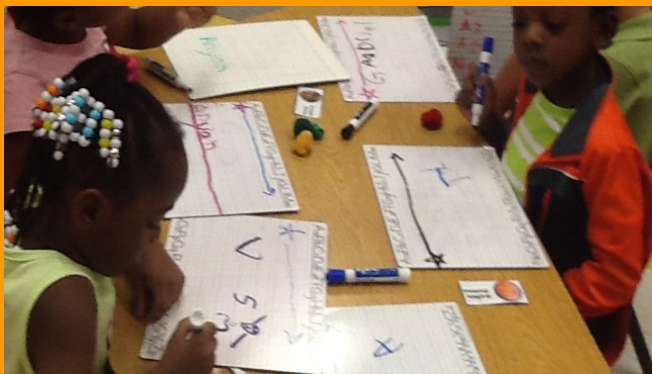

Happy October Skyline Preschool Parents,

Not only does this month bring in Fall at full force, but it also brings heightened awareness on certain health and safety concerns. In October there is Red Ribbon Week, Walk to School Day, Fire Safety, Bullying Prevention, CyberSecurity, and Healthy Lung Awareness just to name a few. Our preschool will be doing various activities to bring awareness so be on the look out for more info to come. In the meantime, please take notice of a few health and safety concerns the teachers and myself are focusing on this month and every month:

- Bring your child, not the germs! Please refrain from bringing your child to school when you notice he/she is not feeling well. Not only does this put everyone else at risk, but your child can't thrive in the classroom when he/she is not feeling at best. If the preschool staff finds your child is too sick to stay at school, especially in the case of a fever, you will be called to pick your child up early.
- ◆ Please keep hold of your preschooler when entering and leaving the school, including the parking lot. For their safety, children should always be in the care of an adult while on school premises. Also, when entering/exiting the building, please make sure the door is completely closed behind you, this lowers the risk of an unwelcomed person entering our building.
- ◆ Please make sure to only sign your child in or out at the exact time you are actually dropping off or picking up. Also, your child will only be released to adults (18 and over) who are listed as authorized. If you need to add someone to the list, please let a teacher know.

Thank you for your partnership in keeping Skyline Preschool healthy and safe. We hope some of our activities this month help bring awareness to your family at home as well. As always, please feel free to contact me with any questions, concerns or suggestions at tgrady@skylineschools.com or 480.779.2001.

Ms. Tamica J. Grady, Director

Students in the 4s/5s class practice writing their names, soon they will have it perfected!

Students in the 3s/4s class work on shape and color matching as they learn about new shapes and improve their fine motor skills.

Wednesday, October 7th

National Walk to School Day

Bring your walking shoes as we walk one lap around the school's field to bring awareness on how walking to or around school is great exercise!

October 12th-15th

Fall Break (NO SCHOOL)

The Preschool will be closed October 12th-14th for Fall Break. There will be a No School Day for students on October 15th as teacher have an In-Service Day. The Preschool will reopen for students' return on October 16th at 7am.

October 26th-30th

Red Ribbon Spirit Week

Students wear red ribbons to bring awareness to respecting ourselves and making good choices.

October 31st 12pm to 3pm

Fall Festival

Bring all your Family and Friends to join us for a Fun Filled Fall Festival! There will be bounce houses, game booths, basket raffles and food trucks. Our preschool will be raffling off two great baskets filled with goodies and our students will have a musical performance at the end. Come on out and show your support!
