

March

Preschool

Important Information

Hello Skyline Families,
We are coming to the end of our school year in May. Don't forget to let us know if your **Kindergarten** bound child is planning on attending **Vector Prep & Arts** this fall. We love our littles and can't wait to watch them continue growing with us!
Also, parent teacher conferences are coming up so make sure to schedule yours with your child's teacher so you can see how they have grown!
