

PRE-K

4 Positive Tips to Promote Summer Safety Tips for Your Preschooler

1. WATER: Be Alert! – Supervise your child/children at arm's length when playing with or in water. (Drowning can happen in 18-30 seconds.)
2. DEHYDRATION DANGER! – Drinking plenty of water is the most effective way to stay hydrated. Wear hats, sunglasses and cool clothes.
3. CAR=HOT ZONE! – A car is like an Oven reaching 19F/42C in under 10 min. on a summer day. (Do not leave a child alone in the car. Not even for a quick errand.)
4. HUG OFTEN AND LAUGH A LOT – The nurturing touch of a hug builds trust, a sense of safety and heal feelings of loneliness and anger which elevate a mood and create happiness. Laughter counteracts feelings of anxiety and sadness.

Upcoming Events

May 16 - PJ Day (End of year Party) *See Ms. Faye for information

May 17 – Pre-K Promotional Ceremony @ 5:00P.M. (Transferring to Kindergarten)

May 27 - Memorial Day (NO SCHOOL)

A PEEK AT OUR MONTH

Our monthly theme is “Moving On”

For the month of May we will be reviewing Moving On. We will be discussing how we have grown up a lot since the first week of school, what we need to get ready for kindergarten and how to work together. While preparing for our next step, we will also review counting, adding and subtracting objects. And most but not least, we will learn knowledge of verbal conversational rules and how to shift the topic when it is changed by another.

Thank you for giving us the opportunity to work with your preschooler in their early childhood education. We would like to express our sincere gratitude to you for allowing us to help prepare your child for a lifetime of success.

If you would like to contact Ms. Willie for any reason, please email her at
