A Peek at Our Month

For the month of September, we will be learning about families. During this time, we will be promoting self-esteem, self-identity while encouraging self-awareness and enhancing learning about family through fun activities/projects. We will also be learning all about how families love us, help us grow and change while we learn kind words to describe families and talk about what words are, practice rhyming, drawing & painting, and playing musical instruments. In math we will work on sorting objects, organizing objects, matching objects, and learning key vocabulary terms.

Since we have quite a few Pre-K students. I will be opening the other Pre-K Classroom. The classroom will be listed as Pre-K 1 (Ms. Latonya) & Pre-K 2 (Ms. Willie). It saddens me to let you know that Ms. Lauren is no longer with us. Therefore, Ms. Willie will be working the classroom until we can find another teacher.

If you ever need to reach out to the teachers, please do so via Brightwheel.

REMINDER

- Bring Crib Sheet & Blanket for napping. Take home every Friday to wash and return on Monday.
- Bring Water Bottle (NO MILK/JUICE/KOOL-AID)
- Bring a change of clothes
- Wear closed toed shoes (NO CROCS)
- We close at 5:00 pm (Late fee will apply 1 min. after 5 pm)
- Notify teacher if student will be late/absent via text on Brightwheel

9/5>Labor Day (NO SCHOOL)

9/9>Grandparent's Breakfast
-9:00am

September

Get Moving Today!

ACTIVITY CALENDAR

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<p>Make paper airplanes and practice throwing them – step and follow through toward the target.</p>	<p>Shake your body! Take turns leading a fun dance move to your favorite music.</p> 	<p>Spread wash cloths around the room and jump from one to another.</p>	<p>Staple two paper plates together to make a flying saucer. Go outside, throw it, run to it, and throw it again</p>	<p>Pretend to be robots and walk through your house, keeping your body stiff and straight.</p> 	<p>Make a set of shape cards. Pick a shape, find something that is that shape and run as fast as you can to touch it.</p>	<p>Find a starting spot outside/inside and choose different places to go. Count how many steps it takes to get to each spot. Which is the farthest? Which is the closest?</p>
<p>Roll up a bunch of sheets of newspaper. Use plastic bottles as targets. Work on overhand throwing skills.</p>	<p>Clean Up! Spread out a bunch of small items in a room. Crab walk to each item, put the item on your tummy, and crab walk the item to a new spot.</p>	<p>Make two sets of ABC cards. Spread a few letters out on the floor. Collect the same letters from the other pile. Hold up a letter and identify a way to move - gallop to get the P or crawl to get the S.</p>	<p>Practice walking with style today – walk happy, walk scared, walk angry, walk shy. Think of your own ways.</p>	<p>Use the shape cards from the 6th; put a number on each shape and spread the cards out on the floor. Move to a shape, read the number and jump over it that many times.</p>	<p>Stretch out on the floor and then curl, bounce, freeze, twist, stretch and bend your entire body.</p>	<p>Walk around the house three times – first fast, second backwards, and third like your favorite animal.</p>
<p>Using your ABC cards, spread out a few letters. This time use rolled up socks to work on underhand tossing to the correct letters.</p>	<p>Go for a walk and look for things that begin with different letters of the alphabet.</p>	<p>Using your entire body, make up a handshake with each person in your family – try to really add a lot of movement.</p>	<p>Collect 10 stuffed animals and put them in a line on one side of the room. How fast can you move one at a time to the other side of the room?</p>	<p>Again using the ABC cards, make a trail throughout the house or outside. Jump or hop or leap to each letter as you say its name.</p>	<p>Sit facing each other and roll a ball back and forth.</p>	<p>Point to something outside, say the object's name, and move to it as fast as you can. When you get there rest and then find something else.</p>
<p>"What am I?" Take turns moving like something as the other person copies and guesses what you are.</p>	<p>Do three with me! Wiggle, reach, and touch the floor. Touch your nose, lay on the floor, jump really high. You make some up.</p>	<p>Move to every room in your home and jump five times. Remember jumping is two feet!</p>	<p>Go for a color nature walk. Can you find fall colors?</p>	<p>Roll up a bunch of sheets of newspaper. Use plastic bottles as targets. Work on overhand throwing skills.</p>	<p>Build an obstacle course outside – run, jump, crawl, and climb.</p> 	<p>I spy something red! Take turns saying, "I spy something _____" and then together run to that object.</p>
<p>Practice skipping. Step-hop-step-hop.</p>	<p>Practice your kicking skills. Can you kick far and near?</p> 	<p>Get outside and practice your running. Pump your arms forward and backward. Feel your heart!</p>	<p>Go on a walking nature scavenger hunt, looking for signs of fall.</p>	<p>Go on a walking nature scavenger hunt, looking for signs of fall.</p>	<p>Yell out a body part and see who can touch that part to the floor the fastest – without falling down.</p>	<p>Go back and do your favorite activity from this month!</p>
